

Lisa Pierson of Moving You Forward, is delighted to confirm that The Coaching and Skills Exchange, will be host to an **International Speaker on ... Reading Faces to Understand People ... a great tool for sales....**

On November 12 at the Village Hotel Bournemouth at 7pm!

Naomi Tickle is a certified face reading expert and career coach. She has appeared on CNN, NBC, BBC, Good Morning America and numerous television and radio interviews around the world. Articles about her work have been published in the Sunday Times, Alabama Law Journal and The Los Angeles Times. Her clients include IBM, National Semiconductor, AT&T, College Conferences, International Dental Conferences, Kinesiology and NLP conferences and many other Networking Groups.

**And she is coming to sunny Bournemouth!!!!**

### **Why attend this fascinating presentation?**

Do you want to find out more about yourself and your clients?

Do you want to secure more sales?

Have more fulfilling relationships?

### **Then come along and learn some of the benefits:**

- A great coaching tool that will help coaches and team managers to better understand and work with their clients.
- Sales People - Immediately identify how to approach your customer.
- Team Building - learning more about each other's traits will help to build a stronger and more united team of people.
- Develop a better understanding of ones own traits and the message they send.
- Understanding what makes people tick and why.

### **Quotes from clients**

*presentation was truly world class ~ the audience is a mix of coaches, consultants and business owners who all said how enjoyable her subject was and how they can now go out and use her insights to get more business and help more people ~ all in all a great evening had by all! Deepak*
